## Another Gathering in the record books

A sunny day promised a great time for Miata drivers from throughout the Puget Sound area, who converged on August 23 at Coop's Miata in Maple Valley. The featured events of the day included the popular Concours d'elegance and an imaginative array of fun, car-themed games based on an "Olympics" theme, with gold, silver, and bronze medals for winners.

The most popular game of the day was the "Radiator Pour" game, where participants stood on a ladder and poured gallons of water into an old radiator. The winner was the one who managed to get the most water into the fill hole. First place went to Randy Patterson, second place was Marty Brinck,

and third was Julie Krohmer and Margie Brinck (tie). The Turkey Award for last place (a hotly contested prize) went to Sue Patterson.

Another wildly popular game this year was the "Blind Autocross Drive" which, like its name suggests, featured a driver who was blindfolded, driving an autocross course by following the directions of a partner. Now, as one can imagine, it makes a difference who is giving the directions on this interesting drive. The winners were determined by best time and least number of cones knocked over. First place went to Tom Millar directed by Tommy Gores; Randy and Sue Patterson captured the silver, while Fred Rudd, aided by Tommy Gores, made the medals with

# Second annual Hurricane Ridge tour draws seven cars

by Bill Bell

July 13 dawned clear and sunny, but the air was cool starting on our way to Hurricane Ridge located south of Port Angeles, WA. It was lots of fun going to the top of the Ridge and looking at the Olympic Mountains, Puget Sound, Mt. Baker, Mt. Rainier, Victoria, Canada, and parts of the Pacific Ocean.. Also, we stopped on the way up to take pictures so we had our camera ready. In attendance we had seven Miata and 12 members.

The East Side Group met up at the QFC in the Edmonds/Woodway area in the parking lot at 7:20 a.m. The South and West Enders met up with the East Side Group at the Main Store in downtown Port Gamble. It was quiet and beautiful on a typically summer day in Port Gamble. Several times, we could not even hear cars nor people talking—a welcome change from the city noise.

At 10:00 am, we departed and took some twisty roads to our ultimate destination. One of the roads was the Chicken Coop Road which features a few twisty turns and small hills. It is a fun road to drive and your heart was up and down on the hilly road.

We arrived at the top of the Ridge after a bathroom and latte break in Sequim. The whole trip was simply beautiful as we drove past the visitors center and down to Hurricane Hill where we stopped at a picture taking area on the north and a picnic area on the south. There was no wind and noise as all were quiet there. From there, we arrived and explored the Visitor's Center at 5242 feet high and walked around looking at the sights. Among them were some creatures in their natural habitat, including a fox, a large raven, deer, and chipmunk

After staying more than 90 minutes on the mountain, we drove to the Blue Flame Barbeque located in Port Angeles WA. What distinguishes this restaurant from all the rest is it is completely blue on the outside. They were kind enough to open before the normal hours of operation, and we had the place to ourselves. It was a great lunch as we had chicken, baby back ribs, and briskets. They served a lunch and dinner special with fast customer service which we all appreciated—usually less than five minutes from the time we put in our order to when we were served! After lunch, we ended the day by having our picture taken in front of the restaurant.

If you missed this event, you should try and go on it next year. You won't be sorry.

# Corn Maze Drive set for October 11

*Hosts: Charlotte Fellers & Tom & Cindy Smith*  
*Contact: 253-333-7442 or editorcharlotte@gmail.com for more information.*

A new drive has been added to the PSMC calendar this year, scheduled for October 11 at 1 p.m. If you have never taken the opportunity to visit one of the many corn mazes in the area during the fall harvest season, this is your chance to see what all the excitement is about and have some fun with your Miata friends too.

This drive will be hosted by Charlotte Fellers and Tom and Cindy Smith. Still in the planning stages, the starting point will most likely be someplace in the Renton area with a short drive to the Carpenito Brothers Corn Mazes in Kent. Located at the intersection of West Valley Highway and 272nd St., the mazes are different every year, and should offer some fun challenges to all. This drive will be more about the corn mazes

and other activities at this fun locale. The venue also gives you a chance to purchase fall vegetables in season (they have the largest cabbages for the lowest prices around!) and you can buy pumpkins, decorative and edible squash, and late season fresh corn on the cob. The outdoor market also features caramel corn and kettle corn and other snacks and drinks to curb your appetite in pursuit of solving the mazes.

This attraction is best toured in early October because as the month wears on, the maze gets a lot of use and starts to look a bit "withered" by month's end. By scheduling it October 11, we should be able to enjoy our day with fewer crowds and the maze should be in fairly good shape. We'll have prizes for the fastest times through the two mazes (one for each) and also the slowest times. The day will end with some kind of food event at the home of Charlotte Fellers in Auburn. Look for updates on the website and in the September Sounder. Please RSVP to the website.

## Olympic Peninsula Tour will feature lots of color

October 4-5, 2008

Meeting date & time: Oct. 4th @ 9:00 AM

Meeting place: Hawk's Prairie Restaurant  
8306 Quinalt Dr. NE, Lacey

*Hosted by Millar & McGranaghan*

Imagine the grandeur of the great Pacific Northwest, enjoying the magnificent fall colors, while traveling the historic Highway 101. This pristine tour will begin at Hawk's Prairie Casino and Restaurant in Lacey, proceeding along the Hood Canal. There will be an alternate route for those north-enders coming via the Kingston

ferry. The first leg will end at 7 Cedars Casino where south & north travelers will meet up at approximately 11:30 a.m. and enjoy lunch. Following lunch, the tour will proceed along Highway 101 and stop at the Harbinger Winery on the outside of Port Angeles. After some tasting of these fabulous wines the group will then continue their journey along Highway 101.

After lunch, the tour will take a nice deviation along Highway 112, exploring the Neah Bay Scenic Byway, and hooking up once again on Highway 101. Driving along the Pacific coast, traveling through Forks and Kalalock, the tour will deviate once again from Highway 101 onto the Moclips Highway, arriving at Pacific Beach Motel & Conference Center in time to check in, enjoy dinner and continue our grand time.

The Pacific Beach Motel & Conference Center is a Navy recreational facility, operated out of Naval Station Puget Sound in Everett. It is a full service recreational facility featuring several motel-like rooms and "Presidential Suites", with pricing ranging from \$50 - \$87 per night. It also has a game room, bowling alley, outside activities, gift shop, restaurant and a full service bar. Tour participants will need to make their own reservations by calling 1-888-463-6697, referencing the Puget Sound Miata Club and Tom Millar, LCDR (ret.), USCGR. Following dinner, there is a party room that we can use for an after-dinner gathering.

*The Olympic Peninsula Run will feature an overnight stay at the beautiful Pacific Beach Resort, near Moclips.*

# Surprises awaited drivers on Mt. Baker Run

By Bill Bell

August 9 dawned cool, rainy, and windy as we met at Smoky Point, Washington, near Arlington for the Mt. Baker Run, via Chuckanut Drive. In attendance were 11 Miata Zoom Zoom individuals. The group departed Smoky Point at exactly 8:30a.m. and took the Chuckanut Drive exit and started our twisty drive. We stopped briefly at our first destination looking over the bay at the San Juan Islands, Anacortes, WA, and other islands as it was raining most of the day.

The Miatas moved on to our next stop, which was at Larrabee State Park at the boat dock. John Conn and his son explored the beach at low tide at this stop, and found several animal life from low tide there. As we departed for Bellingham, it appeared we were going to have better weather, but that was not the case.

Our next stop was at Starbucks on the Mt. Baker Highway to give everyone an opportunity to receive their morning burst of delicious caffeine. The aroma was tempting for all but only some took advantage of the 20-minute stop to “re-caffeinate” while we had our official meeting and explain to everyone the details of our drive to Mt. Baker. We headed up Hwy 542 to Glacier and arrived there at 11:20 a.m., driving in more rain as we got closer to Mt. Baker. As we arrived at the Forest Office in Glacier, we were supposed to meet the Sea and Sky Miata Club of Vancouver, British Columbia, and buy our parking tickets for Mt. Baker.

However, instead of the Miata Club showing up and driving up to Mt. Baker, the Puget Sound Mini Club and the Vancouver, BC Mini Club showed up after about 15 minutes. They had around 25 Mini Cooper cars there. So our procession of more than 30 cars wound their way up to Mt. Baker, led by two Mini Cooper drivers. It wasn't long, however, until they gave me the right-of-way and the lofty position of lead car. I moved to the front as there were very few cars on the road due to the weather conditions. As we arrived, the Sea and Sky Miata Club had already arrived as they left Glacier Forest Service Office at 11:15am. We just missed them, but we did bring up the Mini Coopers. It was foggy, windy, and cold in the parking lot at the end of the road on the mountain. Both groups were talking about cars as it was getting colder and colder. The Mini Club decided it was time to depart but we stayed on the mountain another

ten minutes. On the next level below, one of the Mini's had a flat tire. Fortunately, the weather was much nicer there, as the sun was coming out from behind the clouds.

We moved on and found the rest of the Mini Group parked on the next level, so we took advantage of the opportunity to socialize for a few minutes. After 40 minutes of driving down the mountain, we arrived back in Glacier for some lunch at Milano's. The Mini Club joined the Miata Club, and we had 36 individuals who enjoyed the always great food at Milano's. Much too soon, it was time for us to say our goodbyes, but it appears this will likely become an annual event with all four clubs. Lets Drive/Zoom Zoom!

*The 2008 Councours d'elegance featured just four stock cars and two modified in the competetion--but they were all beauties! An '06 Copper MX-5 was the People's Choice winner.*

*(Photo by Sean McGriff)*

*Don't try this at home! Tommy Gores participated in the Blind Autocross game at the '08 Gathering, and also "talked" at least three people through the course. Eventually, one of them, Fred Rudd, earned a medal in this fun game.*

## President's Message

By Mindy Bohnas  
PSMC President

It's back to school time this month and probably the last month of what passes for summer weather in these parts so I encourage everyone to get out and drive with the top down while you can! There are several great club events this month. The first couple, I mentioned last month, but will mention again anyway.

On September 6<sup>th</sup>, the Mukilteo Lighthouse Parade happens at about 9 AM. Contact Bill Bell if you are interested in attending. His email is arbill@hotmail.com.

Also on September 6<sup>th</sup>, Gayle Lazur is hosting a Social. Check out the article in the Sounder or on the website for more information and directions.

On September 16<sup>th</sup> a very limited and yummy sounding Progressive Supper Run is happening. The first course is at Allan & Cheryl Ohlsens, the main course, after a short drive, will be at the home of Mike and Lilly Springer and the dessert follows another short drive to the home of Charlotte Fellers in Auburn. The drive is limited to just six Miatas so if you want to go, contact one of the hosts ASAP! You can read more about it on page 4.

September 27<sup>th</sup> is the Leavenworth Autumn Leaf Festival Parade. It is a really beautiful parade in a great town. Several cars are needed to help carry the Miss Kingston, the Viking Fest, and the South Kitsap Junior Miss royalty groups! Contact Bill Bell for information on this parade as well.

For the last couple of years, A. J. & Vickie McGranaghan and Bonnie & Larry Lohkamp have organized a lunch at the Chateau Fair Le Pont winery in Wenatchee after the parade, and then a one night stay in Chelan at the Best Western Inn, with a nice drive home along the North Cascades Highway on Sunday after the parade. Sadly, A. J. and Vicky will not be in town and Bonnie and Larry have moved to Arkansas so there is no organized lunch or overnight stay after the parade this year so it has been taken off the calendar.

I would still like to encourage anyone who either is or isn't attending the Leavenworth parade to stop in at the winery and to stay at the Best Western if you are ever in the area. They are both excellent. I would also like to say that a drive home along the North Cascade Highway from the Wenatchee/Chelan area is best done on at the end of September while the weather still holds and the roads are open. The leaves are changing color and the views are breathtaking.

Hope you all had fun at the Gathering!

### Progressive Supper drive Sept. 13

Hosts: Ohlsens, Springers, Fellers

Contact: Allen Ohlsen: 360-400-0682 or Charlotte Fellers: 253-333-7442.

If you enjoy food and driving around in your Miata, you may want to sign up for the South End Progressive Supper September 12. Hosted by Allen & Cheryl Ohlsen, Mike and Lilly Springer, and Charlotte Fellers, this drive begins at the Yelm Safeway parking lot at 3 p.m., "progressing" to the Ohlsens home for appetizers and salads; we'll do a short drive and "progress" on to the Springers for the main course in Tacoma, and wind up at the Fellers home in Auburn for the dessert.

This drive is limited to just six cars due to the space limitations when serving a meal, so if you are interested please RSVP to the website. You will be contacted by hosts after you RSVP.

### Olympic Peninsula promises fun

*continued from page 3*

Following breakfast the next day, the tour will continue along the coast for awhile and then inland where some twisty roads will be encountered on our way back home.

The pre-run is finished, and everything's set to go, according to your hosts, Tom & Cindy Millar. A block of 5 rooms of various descriptions have been set aside for us until September 5<sup>th</sup> and may still be available. Please RSVP to the website and you will receive last-minute information after the sign up.

### Popular social time is back . . .

**First Friday Formal – October 3, 2008**  
**Ristorante Luciano – Bellevue, WA**

**Hosted by: Gayle Lazur**  
**Contact: [rmerlot@hotmail.com](mailto:rmerlot@hotmail.com)**

It is that time once again – time to dust off your more formal wear and join your fellow members for a wonderful Italian dinner. The restaurant this month is Ristorante Luciano – located in Bellevue Square next to Crate and Barrel. Dinner is set to start at 6:30 pm. There is free parking in the mall garage or valet parking if you desire. Check out the menu and find directions on the restaurant's website at <http://www.ristoranteluciano.com/about.htm>.

Please RSVP on the club website so that I can get an accurate head count to the restaurant. Please note that reservations are limited to the first 15 couples so get your reservation in early so you don't miss this wonderful night out.

# Summer stays busy for Autocrossers

By Denise Williamson

Another busy summer of autocrossing is going by very quickly! Here's a quick review of recent events:

July 20 was BSCC #5 at Bremerton, featuring 152 entrants, including four PSMC members in three classes. In Sports C, *TJ McGeary* placed first in his '91 Miata with a 55.048, and *Tom Slipp* placed second in his '91 Miata with a 55.276. *Dieter Beldi* placed second in Large Sedan in his '07 Mazda Speed 3 with a 53.906, while *Rich Blake* had fun in his '94 Miata in the Time Only class.

July 27 was SCCA #6 at Bremerton, attracting 131 entrants, including seven PSMC members in seven classes. In Stock 2, *Rich Blake* placed fourth in his '94 Miata with an ES-indexed 37.514. In Stock 3, *Dieter Beldi* placed first in his Mazda Speed 3 with a DS-indexed 37.702. In Non-Stock 4, *Russ Hill* placed 13<sup>th</sup> in his '91 Miata with an STS2-indexed 41.482. In Street Mod 2, *Bob Bundy* placed first in his '90 Miata with a 43.712. In Open Pax, *Alan Dahl* placed fifth with an AS-indexed 36.224. Joining in the fun in the Time Only classes were *Brett Wilson* in his '99 Miata, *Bob Bundy* in his '90 Miata, and *Tom Slipp* in his '91 Miata. Double kudos for the event go to *Alan Dahl*, who placed fifth in the Top Indexed Time of the Day, and seventh in the Top Unindexed Time of the Day.

August 3 was BSCC #6 at Bremerton, with 165 entrants, including three PSMC members in two classes. In Sports C, *TJ McGeary* placed first in his '91 Miata with a 65.455, and *Tom Slipp* placed second in his '91 Miata with a 66.036. *Dieter Beldi* placed first in Large Sedan in his '07 Mazda Speed 3 with a 64.729, and also had fun in the PM Time Only class.

August 10 was a WWSCC event, the BEAC Enduro at Shelton. This event is in a different format than the typical autocross. Instead of taking one run at a time, each entrant takes all of their runs at once (they take laps). The venue was also new to local autocrossers. A total of 54 entrants competed, including five PSMC members in three classes. In Improved B, *Enrique Garcia* placed first in his '95 Miata with a 55.917, and *TJ McGeary* placed second in his '91 Miata with a 58.468. In Stock D, *Dieter Beldi* placed first in his

Mazda Speed 3 with a 55.392. Joining in the fun in the PM Time Only class were *Glen Hernandez* in an '05, Mustang, and *Tom Slipp* in his '91 Miata. Kudos for the event go to *Dieter Beldi*, who placed eighth in the Top Unindexed Time of the Day.

July 26-27 was the Kumho Super Challenge (KSC) in Pitt Meadows, British Columbia. For those of us in the northern Puget Sound area, Pitt Meadows is the same distance as Bremerton, and closer than Packwood so it attracts a few local autocrossers. We had four runs Saturday morning, two Saturday afternoon, and three Sunday morning. The best time from sunny Saturday was combined with the best time from soggy Sunday. The combined times were then indexed. The top 30 drivers, (plus ten wild cards) got to go on to the challenge round. I was picked for the challenge round, but declined due to thermostat problems. Good thing I worked during the challenge round, because I met the guy who eventually fixed my car.

Anyway, *Glen Hernandez* and his Canadian co-driver Ambrose did very well. They placed second and third in Stock 1 and made the challenge round. Unfortunately, they coned themselves out. The banquet Sunday evening had fantastic food, and fun was had by all. Kumho was a very generous sponsor. It was a great weekend, except for when the fire alarm went off at the hotel. We had to go down ten flights of stairs with our day bags, helmets/shoes, cooler, and water jugs. But that's all another story. Next month: the SCCA National Tour and ProSolo!

Glen Hernandez on his way to a second and third place win at the Kumho Super Challenge Autocross in Pitt Meadows, BC on July 26-27.

a bronze. The Turkey Award went to Allen & Cheryl Ohlsen.

In the double delivery game, contestants had to load up their cars with an incredible array of pool toys already inflated, drive them to a volleyball net, toss them over, drive to the other side, put them back in the car, and finally, deliver them back to the starting point. This timed event proved to be a lot of effort for a little payoff. Gold went to Dan White, while Allen Ohlsen captured silver, and Charlotte Fellers earned the bronze.

The next board-sponsored event will be the November 8 board meeting, when the 2009 calendar will be developed. If you would like to host a drive, or have an idea for a drive for 2009, please plan to attend this meeting and put your drive on the calendar. Even if you've never sponsored a drive before, or you get lost on the drives of others, the board has many seasoned experts who will be happy to help you host a drive or plan the activities. Look on the website for location.
