The PSMC truly was the first officially recognized Miata Club in the USA and we need some fresh ideas and volunteers to keep it going strong for another 20 years and more!

Please feel free to email or call any of the current Officers or Directors with any questions on required duties of any Officer or Board positions. Or read the Constitution and Bylaws on the website.

Voting will take place on Saturday, June 11<sup>th</sup>, at the home of Dee Dahlke and Duncan Johnson in Puyallup. Check the website calendar for start time and further information. All members are encouraged to attend and to vote in the elections. Any member may also attend regular board meetings at any time. Member input regarding future activities or possible club policy changes is always welcomed by the Board.

The following list shows our Volunteer Appointed positions. The PSMC Board would like to thank all Past, Present, and Future members who fulfill these duties. This club could not continue without their dedication and hard work. Please note that there are several positions that need a replacement, most notably the Data Coordinator!

## First Friday Formal

May 6, 2011, 7 PM  
 By Allan Ohlsen

Hey Miata fans! It's that time again, time to dust off the tux, break out the pearls and go out PSMC style.

This month will take us to the China Harbour Restaurant, located on the banks of Lake Union just north of downtown Seattle (just down the street from the Harborside Restaurant, for those that went on the first FFF). The China Harbour has great Chinese food that is very reasonably priced with a wonderful ambiance that overlooks a marina of small boats. The plan is have a sunset dinner, followed by a drive for what else, desert.

FFF's are a great way to socialize and have a great meal at the same time. Plus, it's good excuse to get dressed up. Like always, this event is open to the first twenty people.

If you have never been on a FFF, check it out; they are fun. RSVP to the website soon. If you have any questions, please feel free to contact Cheryl or myself. 206-444-6845

Check the website for updates, we may have more for this event.

**Driving directions to the China Harbour:**  
**North or South, take Mercer street exit (North side of downtown Seattle) off I-5**  
**Take right at the light (Fairview Ave)**  
**Turn left at next light (Valley St.)**  
**Turn right at Westlake Ave. N.**

Go approx. one mile, China Harbour is located on your right.

## A Birthday to Remember!

All are invited to help Tommy Gores celebrate his birthday on May 21 at 2:00 pm. RSVP necessary, and no gifts, please. For details, please see our website.

## PSMC Detailing Day

*Saturday, May 14, 2011  
Lee Johnson Mazda, Kirkland,  
WA*

Once again, Puget Sound Miata Club will be putting on our famous Detailing Day on Saturday, May 14<sup>th</sup>, ahead of the top down season. This annual event has been a favorite with Miata-ites for several years. It provides a wonderful opportunity to bring out the beauty of your little jewel. We will meticulously buff out your Miata, after you have washed your car. Following the buffing you will have the opportunity to wax and further detail your car to achieve that special luster that is well known to members of PSMC. Board members, and no doubt others, will be nearby to offer advice and answer questions.

As nice as Bill Cooper has been for hosting the Detailing Day for many years in the past, we are going to give him a rest and select a new venue for this year. Lee Johnson's Chevrolet and Mazda in Kirkland have agreed to host our event. Tom Millar is still working some of the details with Lee Johnson but the date and site are secured. Lee Johnson will be providing us the use of their excellent indoor service bays for our buffers as well as car wash facilities. There will be additional space in the service area for waxing and further detailing of cars. We will also have access to the engine steaming bay and there are vacuums at our disposal too. Once again, we are pleased to have the good folks at Griot's provide us with their superior cutting compounds, car wash and wax. We will have all purpose cleaner for the interiors as well as carpet cleaner. Participants are asked to bring their own towels for drying their car after washing and for wiping down their car after waxing.

Around noon our friends at Lee Johnson and the PSMC Board members will be providing hot dogs, chips, chili, soft drinks and desert for lunch. There will also be an opportunity to purchase PSMC merchandise in the hospitality tent.

Our day will begin at 9:00 a.m. and will continue until all cars are polished to a high shine. Following lunch we are going to have a show and shine event which will take place on the forward lot of Lee Johnsons. This will provide you the chance to show off your special little baby to all the world! Trophies will be provided, again by the Lee

Johnson folks, for various categories, including best overall car, best before and after car, and whatever else we can come up with. In tandem with this activity we will be having a drawing for numerous raffle items. We hope that all Miatas participate in the show and shine event in support of our event sponsor, Lee Johnson. Besides, it will just be fun! The festivities will conclude around 2:00 p.m.

As with any PSMC event there is always ample need for volunteers. We need folks to man the sign-in table, buffers, food helpers, setup/cleanup and for other miscellaneous tasks. Contact Mike Springer at 253-572-3285 if you are interested in providing buffer support. Contact Tom Millar at 206-390-3469 if you want to volunteer for other duties or if you have any questions. There is a significant advantage of being a volunteer, like you can hang out with the current and past PSMC President who will impart much wisdom and advice. Ok, if you don't like that, then how about volunteers get their cars buffed first!

Current PSMC members will be able to attend Detailing Day free of charge. Non PSMC members can have their Miata buffed as well. There will be a \$20 charge for non-members to have their cars buffed and for use of all products and facilities. For an additional \$10 you can secure a one year membership in the Puget Sound Miata Club!

Lee Johnson's Chevrolet Mazda is located off the I-405 in Kirkland. Their address is 11845 NE 85th St, Kirkland, WA 98033-8042, (425) 827-0521. y

## MEMORIAL WEEKEND RIDE

Sunday, May 29  
Bob & Marti Mott

Mark your calendars for Sunday, May 29! It will once again be time for the "Aisle of Honor" festivities held at the Vaughn Cemetery on Key Peninsula. This is a yearly event held in honor of Memorial Day by the Key Peninsula Veterans Institute. Last year was a first time event for our club and was quite well received by those who joined us. We meet at the Purdy Park & Ride just off Hwy 16, ride thru the backroads, attend the service, and then take more backroads to end up at the Mott house in the Gig Harbor "boonies." And yes, you will then be fed.

Meet time: 11:00 AM. Bring an umbrella as the service is held rain or shine. Also, a snack might hold you over until later. And we would appreciate an RSVP so we can gauge on food & drink. Purdy Park & Ride directions:

From I-5 take SR 16 across the Tacoma Narrows Bridge. From the Bridge go 6.7 miles to SR 302 (Purdy/Key Center) off ramp. Continue straight thru 3 traffic signals (1.7 miles). Park & Ride is on the right.

From the west on SR 16, take SR 302 (Purdy/Key Center) off ramp. Go straight for 1 mile. Park & Ride is on left before you reach the first traffic signal. For any questions you can reach us at (253) 851-8010.

## FUN RUN & GARAGE SALE

It's not too early to reserve June 18<sup>th</sup> for the first and perhaps the last, (depending on how it goes,) Garage Sale rally and picnic. The details are sketchy at this point, but if you put it on your calendar, by June 18<sup>th</sup> there will be a fun Saturday run, with some crazy prizes and some good grub. A sage old friend once told me "Just put it on the calendar!"

The plan so far is to wind through some scenic country where garage sales have been scheduled, and end up at a park with a covered area (just in case) for a hearty picnic/barbeque and a chance to showcase garage sale "treasures." Prizes will be awarded for categories that could include: "Just For Laughs" or perhaps "A Treasure In the Buff The Rough" or, "Who Wouldn't Want That", "Most Beautiful" or "Most unique".

By June 18<sup>th</sup> we'll be ready to put the top down and just enjoy a sunny Miata run.

## TWO LANES TO OREGON

### PSMC Road Run to WVMC's "Explore Oregon 2011" Meet

Friday, July 15, 2011

HOSTS: Dee Dahlke & Duncan Johnson, home phone 253-845-2424, e-mail ToadHallWA@yahoo.com

This will be a one-day back roads cruise at leisurely speed from Puyallup, USA, to Willamette Valley Miata Club's big Explore Oregon 2011 meet in Silverton, Oregon. We'll head south exploring newly-found two-lane blacktop east of I-5, then zig southwest to cross the Columbia River at Longview. After a brewpub-type lunch the route will revisit some favorite twisties (and a few new roads) in the hills of NW Oregon, finally cutting southeast across the Willamette Valley to Silverton. We'll arrive in time for the opening afternoon's socializing.

Leave from: Shari's Restaurant parking lot (between Shari's, Chevron, & Albertson's) on Canyon Road just off Freeway 512, between Puyallup and Tacoma. Meet at 8:00 AM and leave promptly at 8:30 AM. Hosts' cell phone 253-861-4554 (at event start only, no coverage at our house.) The early start is because this will be a long day's run (200+ miles) on back roads.

Directions to start: Set your GPS to find 10904 Canyon Rd. E, Puyallup WA 98373. For the cyber-challenged, take exit 127 off I-5 in South Tacoma onto SR 512 eastbound toward Puyallup. After about 6 miles exit onto Canyon Road. Right at end of ramp toward Frederickson, and Shari's will be immediately on your right. If you live between about Olympia and Portland, e-mail or call the hosts in advance and they'll give you a local meet-up point along the course, so you don't have to double back so much.

Please RSVP on our club web site so hosts know who's coming on the road tour, and if your plans change, please notify the hosts promptly.

NOTE WELL: You must sign up in advance direct with WVMC to attend the actual meet. See their web site at: <http://www.oregonmx5.com/> You must also make your own reservations at the host hotel; for details see:

## *President's Message*

At the "New Member Appreciation Day" I was discussing with Pam McGriff my being in "Dutch" with her for missing my April President's Message. I said, "I am not much of a writer", as those of you who read this section are already painfully aware. I told her I'd much rather send some photos, she challenged me to do so. Here goes.

This is meant for those who are new, or haven't taken advantage of the many club event offerings. There are some things about the cars that you should know.

*The Cars pull... toward good wineries*

*The Cars draw their owners to discover beautiful views*

The photo is from the "Beach Party in Cannon Beach" in 2004, you'll note the usual suspects... er revelers, at the Newhalem Winery, there is a new wine tour scheduled this year, a not to miss event.

The cars seem give their owners a sense of wanderlust, and what lies over the next hill in the Pacific Northwest is often breath taking. The photo was taken on a pre-run in Oregon in 2003.

*The Cars like to dress for success*

*You'll learn many important skills at our club events*

Miatas and parades are like peanut butter & jelly, they belong together. The playfulness transfers to their owners. The photo was taken at the Shelton Parade, note the Miata in the center, done by a master decorator.

Yours truly demonstrating "High Altitude Radiator Filling" that's my story and I'm sticking to it.

## CRYSTAL MOUNTAIN MIATA RUN

Saturday, JULY 30, 2011  
A.J & Vickie McGranahan  
McGranaghan52@msn.com

To start off with first, due credit has to go to my co-pilot/spousal unit, (and the brains behind this operation) Vickie McGranaghan, for conjuring up this idea/event.

### ITINERARY

#### Saturday lunch on top of Crystal mountain ski resort

<http://www.crystallmountainresort.com/Summer-Activities/Summit-House>

#### Scenic Gondola Rides

Take a scenic ride on the Mt. Rainier Gondola over meadows of wildflowers and mountain streams to the summit of Crystal Mountain. Once you reach the top you'll find a breathtaking view Mount Rainier and the Cascade Range along with the Summit House – the highest restaurant in Washington!

The Summit House Restaurant is perched at the top of the mountain at 6,872' and is accessed by the Mt. Rainier Gondola.

#### Rates for gondola trip:

Adult (18-69) \$20

Youth (11-17) \$15

Senior (70+) \$15

The Summit House is open for lunch every day the gondola is open! The lunch menu offers a wide range of items from homemade soups and fresh salads to seafood and steak & fries. Reservations are strongly recommended (360) 663-3085. Walk-ins are welcome but space is subject to availability. Hours: 10 a.m. to 3:30 p.m. (last seating 2:30 p.m.)

If you choose not to participate in the lunch but still care to partake in this spectacular view than the gondola ride is only \$20.00 r/t (relax, they're not going to make you walk down)....

- Assemble at [The Old Cannery Furniture Warehouse and Fudge Factory](#) at 13608 Valley Ave E # A Sumner, WA 98390-1535 (253) 863-0422 at 9:00 a.m. on the July 30, 2011.
  - We will proceed out of Sumner at 9:00 a.m. and eventually travel via highway 410 up to the parking lot of Crystal mountain which should put us at the Crystal Mountain parking lot around 10:30 a.m. If you've never taken the last seven miles up to Crystal Mountain it will be a Miataphiles delight.
  - After a short walk from the Crystal mountain parking lot to the gondola you will be delighted by the scenic 10 minute ride to the summit house.
  - It is advisable to contact Crystal Mountain Summit House for advance reservations (360) 663-3085.
  - Bring your driving gloves, cameras and your appetite, because with a lit'l bit of luck the mountain will be in view. If you've never been skiing at Crystal and the weather cooperates, Mt. Rainer will offer a different perspective and view that is rare.
  - After our time at the summit allowing adequate time for digestion and pictures we can discuss a couple of different options for our departure off the mountain and back to our start point.

July 9 & 10, 2011  
Sea to Sky Club

### Sea to Sky Tour – Alice Lake Picnic Run

Once again we will be teaming up with the Sea to Sky Miata Club to participate in their Alice Lake Run. Last year the weather and fellowship were equally splendid and we're anticipating similar conditions this year. We have scheduled the ride a bit earlier this year so we do not compete with the Oregon tour. Some of us may go up on Friday to enjoy Whistler for an additional day. Let me know if you would like to join the group leaving on Saturday. For those leaving on Saturday morning, the meeting point will be in the Safeway parking lot, exit 206 off I-5, on the east side of the freeway, at 7:00 a.m. After a brief driver's meeting we will hit the road at approximately 7:15. On the north end of Bellingham we will peel off and take the Guide Meridian to the Sumas border crossing. We will then proceed up Canadian Highway One to rendezvous with the Sea to Sky Miata folks. Our early start time will allow us to clear the border in Blaine in time to enjoy breakfast or at least a stop at Starbucks. **Participants need to have a passport when crossing the U.S./Canadian border.** Our meeting place with our Canadian friend will be in North Vancouver, at Westview Shopping Centre at 10:00am for a 10:30am departure. This centre is in a strip malls, so it's worth noting there's a McDonalds, Esso gas station, a Safeway Grocery store, and a big parking lot. The address is: 2601 Westview Dr, North Vancouver, BC, V7N3X3. Just take exit 17 off HWY-1, the centre is right on the side of the HWY. In conversation with our Canadian counterparts this is a very nice ride and we are in for a treat. I have listed below a synopsis of the ride according to our Sea to Sky Miata Club contact:

*"This run is about 2.5 hours of driving through some very spectacular roads and scenery. We will meet at 10.00 am for 10.30 am departure in North Vancouver at Westview Shopping Centre, just off Highway 1 (exit 17). We drive Highways 1 & 99 to Alice Lake, about 1.5 hours drive, stopping just before the lake to pick up a picnic lunch. Alice Lake is very pretty, with lots of picnic tables, although many of us take fold up chairs. We usually hike around the lake (optional!) about a half hour stroll. It being a Provincial park, one has to pay for parking, \$2 Can. I seem to remember. Then it will be on to Whistler, about a one hour drive. We should arrive in Whistler about 3.30 pm."*

Since it does involve a picnic, participants are advised to pack a lunch, or you can pick up a lunch along the way. As per the write up, the ride concludes in Whistler where we will be spending the night. There are many hotel options available and you are urged to seek your own accommodations. Cindy and I will be staying the Hilton. I would also suggest that you make hotel reservation plenty of time in advance to ensure best availability and pricing. We will decide on a mutually acceptable place for dinner once we are there. On Sunday morning, the plan is to return home around mid morning. We hope you will join us on this delightful ride with our Canadian counterparts!

### Friends Across the Border Ride to Mt. Baker Saturday, August 6, 2011

On the first Saturday in August we are planning a trip with our Canadian friends from the Sea To Sky Miata Club. This is a delightful ride that starts up near Smokey Point and proceeds up the back roads to Glacier. We will take a break in Glacier, and then travel to our rendezvous location which will be at the Park Ranger Station. This is a beautiful experience as the tour proceeds up to our stopping point on Mt. Baker. At this point there will be ample opportunity to exchange stories, trade secrets with our north of the border friends and multiple picture taking opportunities. Once we have had our fill of the Mountain we will travel

back to Glacier where will have lunch at Milano's Italian Restaurant which is wonderful. After lunch we take the back roads home through scenic areas like Lake Whatcom and Chuckanut Drive. You won't be disappointed so please join us for the delightful ride.

#### *Directions to Starting Point:*

*The meeting point will be in the Safeway parking lot, exit 206 off I-5, on the east side of the freeway, at 7:00 a.m. After a brief driver meeting we will hit the road at approximately 7:15.*

## *Have an article for the Sounder?*

- Remember these tip if you would like to submit an article:
- Before you submit articles, change the font to the Sounder's default font, Arial, 10-point.
  - At the end of each sentence, use one space, not two. It saves space and most publications use this format; so do we.
  - Send articles as an attachment; don't paste them into the email window. This creates an extra step for the editor, who already has a lot to do.
  - If you send photos, send j-pegs. We have to "photoshop" them anyway for publication, so just send them straight from your digital camera.
  - Send 3-5 photos, not 25-30. We need your BEST photos, not all of them.
  - The deadline for the next month is the 15th of the current month.
  - The event host is responsible for writing pre-run articles and finding a volunteer to write a post-run article. Always send photos too.

## ESCAPE TO RED MOUNTAIN WINE TOUR

Fri Sept 9<sup>th</sup>- Sun Sept 11<sup>th</sup> 2011

Ray and Elsie Houghton, Paul Jaeger and Tom and Cindy Millar

It has been a while but it is time to get back in the saddle and have another wine tour. The plan is to have a weekend trip to the one of the smallest wine appellations in Washington State. Initial plans are to head east on the Friday driving through the Wahluke slope wine area, along the Columbia river through the Hanford hot zone (duck and cover) to the Columbia Point Marriott in Richland. On Saturday we will visit some wineries in the Red Mountain area and then back to the hotel to dine and experience the wine collections of the day. Sunday will be a day of relaxation before driving back.

This is the first announcement of this event and there will be further information in the Sounder and on the web-site as the event coordinators complete the pre-run.
